NOTICE

Subject: Proper Garbage Disposal by Domestic Help

It has come to the notice of the Management that several domestic help are not disposing of household garbage in a proper manner. Garbage bags are being thrown carelessly across the society premises, leading to unhygienic conditions, foul smell, and general uncleanness.

As responsible and civilized residents, we all share the responsibility to ensure that garbage is disposed of in a clean and orderly way. No garbage bags should be left unattended or thrown outside designated dustbins.

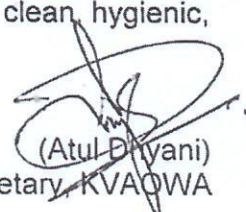

To maintain hygiene and cleanliness within the Society, the Management has decided to implement a reformatory penalty of ₹500/- in case any domestic help is found committing any of the following violations:

1. Throwing garbage bags outside the designated dustbins.
2. Dumping garbage bags in open areas of the society.
3. Littering in the society premises.
4. Failing to hand over the garbage bag to the designated garbage collector.
5. Leaving garbage bags outside the house, which attracts stray animals like dogs and monkeys.

All residents are requested to instruct and ensure that domestic help follow these rules diligently. Repeated violations may attract high reformatory penalties and could also lead to cancellation of the domestic help's entry pass.

We also take this opportunity to urge all residents to follow the above guidelines and actively contribute towards maintaining cleanliness and order within the society premises. Please ensure that garbage bags are handed over directly to the designated garbage collector and avoid littering in any area of the society.

We sincerely appreciate your cooperation in helping keep our society clean, hygienic, and a pleasant place to live for everyone.
