Dated: 02<sup>nd</sup> December 2021

**NOTICE**

For quite some time it has been seen and construction/renovation of flats is being done in Kendriya Vihar Society and the work get carried out in flats for months together. This consumes a lot of water out of the normal supply. It is found that the water charges have been increased considerably by MCG and bills have increase considerably.

The matter was discussed in the E.C. meeting held on 14.11.2021 and the management has decided that an amount of Rs. 500 will be deducted from the Security money deposited by the residents for the purpose of repair/renovation for every month of civil work carried out by residents.
