Circular

Subject: Urgent Repair/replacement of Windows in High Rise Apartments.

Dear Residents,

We are writing to bring to your attention a matter of utmost importance regarding the safety of our Society. Yesterday, due to heavy wind some windows fall down which created havoc with the residents.

In this regard, it has been noticed that certain windows in our high rise apartments are at risk of failing, posing a potential hazard to both people and property. This issue requires immediate attention and action to mitigate any potential risks.

To ensure the safety and well-being of everyone in our Society, we urge all the residents to cooperate with the management to repair/replacement these windows as soon as possible. We are taking this matter seriously and are working diligently to address it promptly.

Your cooperation and understanding are greatly appreciated as we work to maintain a safe living environment for all residents.
