URGENT NOTICE

Urgent Meeting for AMC decision of the MS Block

Dear Residents,

This notice is being issued on behalf of the Lift Committee of the MS Block. As previously communicated, we had informed you about the current status of SEPL Limited, the agency managing our lift services. We now have further updates regarding the Annual Maintenance Contract (AMC) for the MS Block lifts.

We have reached a critical point where important decisions need to be made collectively for the future operation and maintenance of the lifts. In light of this, the Lift Committee has decided to call a meeting of all MS Block residents before any final decisions are taken.

The final decision will be made through a voting process, and therefore, the presence of every MS resident is highly important.

The goal of this meeting is to ensure that the decision is made unanimously and in the best interest of all residents.
