Notice

Subject: Installation of MCBs (60 Amp TPN) for Electrical Safety

Dear Residents,

It has been observed that the MCBs of many houses are in a burnt or damaged condition. These faulty MCBs pose a serious safety hazard and may damage electrical appliances. Residents are advised to get them replaced at the earliest. Please note that these MCBs are part of the individual flat's internal setup, and the cost of replacement will be borne by the respective residents.

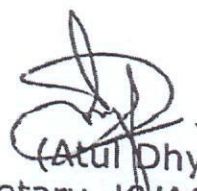

To facilitate support for residents, the society will provide electricians for replacement and arrange to procure MCBs directly from a wholesaler at a reasonable rate. Therefore, residents have two options:

1. Get the MCB replaced through society's arrangement by paying in advance, changes will be done in batch (electrician + MCB from wholesaler).
2. Make their own arrangement for replacement. Society will provide electrician.

Approximate prices of MCBs are as follows: Havells – ₹1200 plus GST, and L&T – ₹1400 plus GST.

We request all affected residents to act promptly for their own safety.

List enclosed

Secretary, KVAOWA
