

No. KVAOWA/GGN/2025/33/304

Dated: 08<sup>th</sup> September, 2025

**NOTICE**

**Sub: Awareness Session Camp on Solid & Plastic Waste Management**

Residents are hereby informed that the Management Committee, in line with the Solid Waste Management Rules 2016 and MCG guidelines, is conducting block-wise awareness sessions to promote a sustainable waste management system in our society.

As part of this initiative, an Awareness Camp will be held as follows:

- Date: Sunday, 14.09.2025
- Venue: Vijay Chowk
- Time: 5:00 PM

The program will be facilitated by **Saahas** and the **Indian Pollution Control Association (IPCA)**. They will provide guidance on:

- **Source Segregation (3-Way System):**
  1. **Wet Waste (Green Bin):** Kitchen, fruits, vegetables, garden waste.
  2. **Dry Waste (Blue Bin):** Paper, plastics, glass, metal, packaging.
  3. **Hazardous Waste (Red Bin):** Sanitary waste, diapers, expired medicines, bulbs, batteries, e-waste.
- **Nukkad Natak by IPCA:** A street play to spread awareness on plastic waste management in an interactive and impactful manner.
- **Plastic Waste Management:** Awareness on reducing, reusing, and responsible disposal of plastic waste.
- **Workshops & Training:** For residents, waste generators, and housekeeping staff.
- **Proper Collection & Disposal:** Ensuring waste is not dumped or burnt and reaches the right processing channels.

Your cooperation is essential in making our society clean, green, and fully compliant with MCG guidelines.

We request all residents to attend the session and actively participate in this important initiative.

(Atul Dhyani)  
Secretary, KVAOWA
