## NOTICE

### Subject: Prohibition on Spitting Gutka/Pan in Society Premises

It has been observed that delivery boys and visitors are spitting *gutka*, *pan*, or other such substances in the society staircases, grounds, and other common/public areas. This behaviour is not only unhygienic but also a serious violation of the society's cleanliness and public health norms.

**With immediate effect, any person found spitting in the society's common areas shall be liable to a reformatory penalty of ₹600/- per instance and will also be required to clean the affected area himself.**

In case of repeated violations, **stricter disciplinary action will be taken**, which may include high penalties.

All residents are requested to maintain cleanliness and encourage responsible behaviour from family members, staff, and visitors.

Let us work together to maintain a clean and healthy environment for everyone.

(Atul Dhyani)  
Secretary, KVAOWA

**Chief Security Officer:** Please remain vigilant and take proactive steps to ensure compliance with the above.

*"Service with a Smile"*
