

No. KVAOWA/GGN/2021/33/ 247

Dated: 16<sup>th</sup> July, 2021

**NOTICE**

**Subject: Installation of MyGate App.**

MyGate mobile application has been initialised in our Society for Security, Complaint, Accounts management, entry and exit regulation and various other services. We have shared the link in various WhatsApp groups in K.V. But it has been noticed that a very few residents have uploaded the App. At present the App is at the stage of data uploading and training of the Security and other staff. MyGate representatives are visiting our Society on weekends to make the residents aware of the use of My Gate application. They are visiting the flats that have not downloaded the App or facing any difficulties.

2. Residents of Kendriya Vihar are requested kindly to download the MyGate App on your mobile phones and understand its functioning. For further use of the APP, various manuals will be circulated through the WhatsApp groups or through My Gate App.

3. While uploading the application, please mind to fill the correct details such 'owner" or 'tenant" etc. In the event of being tenant, your documents may please be uploaded for the verification. The admin will approve the verified entries only.
