

To,

The President/Secretary,

Resident Welfare Association, *Kendriya Vihar*

Gurugram.

Dear PNG User and Society Resident,

SKN. Haryana City Gas Distribution Pvt. Ltd wishes you a very Happy, Safe and Prosperous DEEPAWALI. The festival of light may enlighten your lives too.

All accidents due to fireworks occur as a result of carelessness, negligence and ignorance. But these can certainly be avoided by observing some very simple precautions. As you know that piped natural gas (PNG) supplied by SKN. Haryana City Gas Distribution Pvt. Ltd. is highly inflammable gas, we advise all users, residents and visitors of the society to celebrate this festival with following safety tips;

- 1) Do not light fireworks, crackers, bombs, Candles, diyas near the HCG gas pipeline networks. Yellow painted GI pipes indicate HCG Gas lines
- 2) Do not use at HCG equipments like regulators, pipes or clamps to put the light the fireworks, Crackers, rockets or bombs.
- 3) Do not park your vehicle over the underground gas valve chamber.
- 4) Do not allow anybody to do the modification, tampering with the HCG Pipeline without prior Information to HCG personnel.
- 5) In case of any leakage or fire incidence inside your premises, immediately close the respective valves. Inside your kitchen there are two nos. of valves (a) Before the meter at the entry of the gas pipeline (Isolation Valve) (b) Near your burner / Stove (Appliance Valve).
- 6) Outside the kitchen wall, before the gas regulator, a valve is available which can be closed to stop gas to all the houses connected to that pipeline in case leakage outside pipeline.
- 7) In case of an Emergency, do not panic and immediately contact below on;

EMERGENCY NO. – 9311990900

Emergency contact numbers are displayed at the warning plates and markers fixed at various locations inside your society and also on your bill / Invoice.
