

No. KVAOWA/GGN/2022/33/4041

Dated: 18th December, 2022

CIRCULAR

Sub: Cracks in the common area of any of the AA/A/B/C/DX/ MS-N/M Blocks in the KV Complex.

Dear Resident(s).

Kendriya Vihar is at least 20 years old since the last construction was completed before handing it over to KVAOWA. It has been brought to the notice of the Management that some cracks have developed in the common areas of AA/A/B/C/DX/MS-N/M Blocks in the KV Complex due to various reasons like earthquake etc.

It has been decided to get **Structural Condition Assessment** done for such blocks.

Therefore, it is requested that following information may be provided latest by 24th December, 2022 to help us collate the information from all the blocks and invite the agency for carrying out the investigation. This information may be provided through email id: - kv006_gurgaon@yahoo.co.in

| S. No. | Name | Flat No./Type (In which crack or structural damage is noticed) | Block Number (As specified in the allotment number) |
|--------|------|---|---|
| | | | |
| | | | |

An early action will help you get your block examined on priority

P. Padmavati
