Circular

**Subject: Changeover from My Gate Application to No Broker Hood (NBH) in Kendriya Vihar - reg**

As you all are aware we are presently availing the services of My Gate since July 2021 for gate management services. For the past some time My Gate is insisting that we subscribe to their premium version for some services like IVR calls, shortage of guard inventory of mobiles, increasing commercial adds and not sharing the financial benefit to the society as per the terms and conditions of the agreement in spite of repeated warnings.

In the above situation, it has been decided by the Management to shift over to No Broker Hood (NBH) from My Gate application as approved in the EC meeting held on 17.12.2023. As per the schedule, NBH shall take over from My Gate by 15.5.2024. At present the NBH is engaged in data uploading and training of security and other staff. The NBH representatives are visiting the Society on weekends to familiarise the residents with the usage of their app.

Accordingly, residents are requested to co-operate with No Broker Hood Team / representative visiting our Society/ door to door survey in all the flats to make aware of the installation/download of **"No Broker Hood App"** and explain the advance facilities of this Application.
