

No. KVAOWA/GGN/2025/59/59

Dated: 24th February, 2025

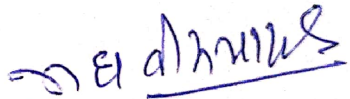

Circular

Dear Members,

In terms of Resolution passed in the Tenth Annual General Meeting of the Collegium held on 17th September, 2023, it was unanimously decided to hold elections for the posts of President/Secretary/Treasurer and the Executive Committee members together.

2. Accordingly, for the coming Elections for the posts of three Office Bearers and the remaining 16 EC Members, a Collegium member only may file nomination for the post of President, Secretary, Treasurer or EC Member. The entire Collegium shall vote for electing the President, Secretary and Treasurer, whereas for electing the EC Members, the Collegium of the respective Block only shall vote. This way the three Office Bearers and 16 EC members shall be elected. Contestants for the position of President, Secretary and Treasurer, if they so desire, may file their nomination separately for the position of EC member also. Persons elected for any of these three positions shall automatically occupy the position of EC Member from the Block of which they are the Collegium member. The remaining 16 Collegium positions shall be filled from the Collegium members who have applied for the position of EC member (including those Collegium members who remained unsuccessful in the contest for President, Secretary or Treasurer in case they have applied for the position of EC member also).

3. It is hoped that this clarifies the position to the Collegium Members for the coming elections.

(Mahaveer Yadav)
President, KVAOWA
