Dear Residents,

In our commitment to maintaining transparency regarding the calculation of the Annual Maintenance Subscription (AMS) and the financial condition of our society, we are organizing a Session to address key aspects of our Society's financial management.

This session will provide insights into how AMS has been determined in the past and an overview of the current financial standing for future projects. The session will cover the following points:

1. Details of 3-Year budgeted AMS, Actual AMS, Surplus & Deficit
2. Discounts & Other Adjustments
3. Variance Between Budgeted vs. Actual Expenditure (FY 2024-25 till Feb 2025) & recovery of the same in the current budget

The session will be presented by:

- Mr. Ashok Aggarwal
- Mr. Suresh Kumar Goyal

Details of the Session are as follows:

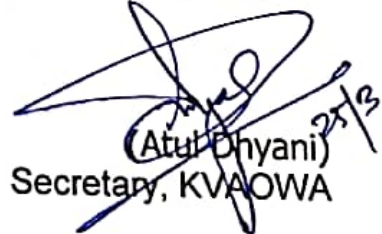

**Date: March 28, 2025, Friday**

**Time: 7:00 PM**

**Venue: Morni Hall, CC-1**

A Q&A session will follow the presentations. We encourage all residents to attend and gain a clear understanding of the society's financial standing. Despite the limited time for analysis, we are making every effort to present comprehensive details.

Your cooperation and participation will contribute to the society's financial clarity and better decision-making.
