Subject: Advisory for Switching from LPG to PNG Connections

Dear Residents,

This is to inform all residents that as per the latest Gazette Notification issued by the Government of India dated 24.03.2026, clear instructions have been given regarding LPG connections in areas where PNG (Piped Natural Gas) infrastructure is already available.

Since Kendriya Vihar is fully covered with PNG facilities and many residents are already using it, all remaining residents are hereby advised to apply for PNG connections at the earliest. This step is important to ensure uninterrupted and safe gas supply.

Please note that as per the notification, LPG cylinder supply in PNG-covered areas may be discontinued after a stipulated period of 3 months. Therefore, residents are encouraged to avoid any inconvenience by switching to PNG in time.

We request your cooperation in ensuring a smooth transition.
