Dear residents,

Summer season is at its peak and as a result consumption of water is going high but supply of water from HSVP is limited. In view of this it becomes our duty to restrict consumption of water to the minimum and use it judiciously for car washing, plantation, flowers pots etc.

In case leakage or overflow of water is noticed by any resident, it should be reported immediately, to the staff/management in KVAOWA office so that the same can be rectified on priority to save water.

Please co-operate with the Society Management to serve you better.
