**Subject: Charges for services of Maids, Car washers and Dhobis.**

For the past some time the Management of KVAOWA has been receiving complaints from the residents regarding demand of exorbitant rates by maids, and other service providers in the Society and their arrogant attitude. The EC in its meeting held on 21.7.2024 considered this matter. The services provided by the maids, etc. are valuable to the residents. But at the same time, it is also a good source of employment for the maids and other service providers. Therefore, it is desirable that there is a balance between the demand and supply.
